

Fact Sheet: ThyssenKrupp Group

As of December 2011

ThyssenKrupp is a diversified industrial group. It has around 180,000 employees in over 80 countries developing ideas and innovations into solutions for sustainable progress. In fiscal year 2010/2011 ThyssenKrupp generated sales of more than €49 billion.

For us innovations and technical progress are key factors in managing global growth and using finite resources in a sustainable way. With our engineering expertise in the areas of "Material", "Mechanical" and "Plant", we enable our customers to gain an edge in the global market and manufacture innovative products in a cost and resource efficient way.
