ISIN DE0007500001

The 19th Annual General Meeting of thyssenkrupp AG on January 19, 2018 resolved to use the unappropriated net income for the 2016/2017 fiscal year in the amount of €1,401,196,644.43 as follows:

Distribution of a dividend of €0.15 per eligible share: €93,379,761.15

Remaining amount to be carried forward: €1,307,816,883.28

The dividend will be paid out by the depository banks via Clearstream Banking AG from January 24, 2018, after general deduction of 25% withholding tax (capital yields tax) and the 5.5% solidarity surcharge due on the capital yields tax (altogether 26.375%) and, if applicable, church tax on the withholding tax.

In the case of **shareholders based in Germany** the dividend will be paid without deducting capital yields tax, solidarity surcharge and church tax if they have submitted to their depository bank a "Non-assessment note" issued by the responsible tax authority. The same applies in whole or in part to shareholders who have issued their depository bank with an exemption order, provided the amount of the exemption stated in this order has not already been used up by other income from capital investments.

In the case of **shareholders based outside Germany** the capital yields tax including solidarity surcharge withheld may be reduced under double taxation agreements existing between the Federal Republic of Germany and the respective state. Applications for the reimbursement of the reduction amount must be sent to the Federal Tax Agency (Bundeszentralamt für Steuern, 53221 Bonn, Germany) by no later than December 31, 2022.
